On 1/29/15, I was on-duty as a supervisor for a squad of uniformed Seattle Police bicycle officers in the downtown business district. I attended a briefing at 5:30 a.m. for a narcotics operation with the Major Crimes Task Force (MCTF), working in conjunction with personnel from the Federal Bureau of Investigation (FBI). My role was to supervise the other bicycle officers, and to participate in their function as contact and rescue teams for the undercover operation in which officers would attempt to purchase drugs. The target area centered on the 1500 block of 3rd Avenue. Other personnel were assigned to monitor the activities and progress of the actual UC deployment, while the uniformed bicycle officers would wait a distance away, so as not to be seen by the potential offenders. After an undercover purchase of narcotics, those monitoring the progress would keep the bicycle officers apprised of the location and description of the suspect. When the coordinator(s) decided the time was appropriate, the bicycle officers would be summoned to contact the described suspect, for whom probable cause would exist for an arrest. However, in order to prolong the duration of the investigation and to maximize its effectiveness, officers would utilize a ruse to contact the suspect(s) and obtain or verify his or her identity for future prosecution. I deployed with Officer T. Burns #5438, while Officers Bowling #5617 and Lim #6685 deployed as the other team.

Buy # 4 of 8

At about 8:07 a.m., Officer Burns and I contacted a suspect who had completed a sale of suspected narcotics to an undercover officer. He was described as a black male wearing a black coat (hood up), blue jeans, red shoes, with white headphone wires protruding from the hood and carrying a brown paper bag. We were told that the suspect was walking westbound on the north sidewalk of Pike St (from 3rd Avenue). As luck would have it, Officer Burns and I were stopped in the parking garage on the north side of the 200 block of Pike St, and the suspect came right to us. The description was thorough and he was the only person who matched it.

Observers confirmed via radio that we had contacted the correct person. Officer Burns took the lead in the contact. The male identified himself as Wesley J Mitchell born 6/26/85. Officer Burns asked questions to confirm the identification, while I submitted his name for an electronic database query. In addition to the similarity of physical description listed on computer entries, Mr. Mitchell confirmed his DOC number when I asked him. Further, I was able to look at a previous booking photo of Mr. Mitchell and verify his identity.

The contact lasted only a few minutes and he was released without incident. Upon returning to the precinct, I viewed a DOL photo depicting Mr. Mitchell, which further verified his identity.

On 1-29-2015 I was participating in the *Crosstown Traffic Operation* that occurred in the 1500 block of 3rd Avenue in downtown Seattle. This operation was created to combat continuous problems with narcotics trafficking and stolen property sales that were occurring in the area of the 1500 block of 3 Avenue.

On 1-29-2015 I was operating the surveillance cameras that are housed in the Century Square Building, located at 1501 4 Avenue.

My duties were to follow the undercover officer through the use of the surveillance system. I could predominately track the undercover officer while they were in the 1500 block of 3rd Avenue.

Century Square's cameras were situated primarily on the outside of the building. After I documented the video that I needed for each case I would requested the video through the building's property management. I would retrieve the video from the property management company.

The Security Supervisor of Century Square is Tracy Carnahan. He can be reached at 206-839-4185.

<p>On 01/29/15 I was assigned to work a buy bust operation that was to take place in the area of 3/Pine in downtown Seattle. I have been a Seattle Police Officer for the past 22 year and during this time I have been involved in a large number of undercover "buy bust" operations. I have been involved in over 500 operations as a buyer and/or observer. On 1/29/15 I was issued a \$20 dollar bill in order to purchase suspected narcotics.</p> <p>On 1/29/15 at approx. 0800 hours I began walking southbound on 3rd avenue from Stewart St. I was walking on the east-side of 3rd avenue towards Pine St. I approached the intersection of 3/Pine and I continued walking southbound past the McDonalds. I was approx. mid-block on 3rd avenue between Pike and Pine St. when I observed a B/M wearing a black coat with a hood, blue jeans and red shoes. This individual was later identified as MITCHELL, Wesley J. 6/26/85. As I walked by MITCHELL, I asked, "You got two for twenty"? He replied, "Yea". We both began walking northbound on 3rd avenue towards Pine St. when he suddenly removed a yellow/orange pill bottle from his pocket. MITCHELL began digging into the pill bottle while we were walking north bound on 3rd avenue. MITCHELL then stopped and placed pieces of suspected cocaine into my hand. I then handed MITCHELL my twenty dollar bill. I then gave my good buy sign and walked away northbound on 3rd avenue.</p> <p>I later returned to the East Precinct where I observed a photograph of MITCHELL and verified that this was the individual that sold me suspected cocaine. The substance I purchased was field tested in accordance with the protocol established by the WSPCL with positive results for cocaine.</p>

On 1-29-2015 I was working on a Buy-n-Slide operation with the Major Crimes task force assigned as a contact team with Sgt. Long. Sgt. Long and I were riding Seattle Police Department issued bicycles and were in full uniform. Our Primary role in this operation was to positively identify suspects that had been identified as dealers who had sold narcotics to undercover officers. Arrests were not to be made unless we were unable to verify the identity of the suspected dealer. We would use a variety of ruses to identify the individuals and as not to lead them to suspect that we were contacting them for selling narcotics.

On buy #4 we were advised who the buyer was and when they would be in the area. As part of this operation there was a number of trailing officers as well as officers using camera systems in the area to keep an eye on the undercover officer for safety reasons and to easily give descriptions of the dealers and maintain visual after the buy had been made.

We were informed that a good buy had been made and given a description of the buyer as B/M wearing a black jacket, blue jeans and red tennis shoes carrying a brown bag. Once the buyer was safely out of the area we went to contact the dealer who was headed west on Pike St. I stopped this individual in the 200 blk. of Pike St. and stated that I thought I knew him from a past encounter and that I believed he had a warrant. I asked this individual for his name and he stated John Wesley Mitchell. Mitchell stated his birthdate was 6-26-85. Mitchell's name was run on a Samsung Note and verified the name and DOB. To validate this was a good name. Mitchell stated that his SS# was [REDACTED]. I asked for Mitchell's DOC # and Mitchell stated that it was 884100. Once this information was verified I told Mitchell to leave the area. This contact occurred at 0807 hrs.

On 1/29/15 I was working as a member of the Seattle Police Department's Major Crimes Task Force. On this date I was assisting with a "buy and slide" operation in the area of the 1500 block of 3rd Ave, Seattle, WA. For this operation I was assigned to monitor, manipulate, and record the security surveillance camera system located in the security office of Macy's at 1601 3rd Ave.

I was given a quick tutorial by Macy's security team members Tony Friend (206-506-6010) and Joe Binder (206-506-6010) on how the system runs, how to maneuver the cameras, and how to recover and record security footage. Throughout the operation on that day I manipulated the cameras to capture narcotics transactions occurring in the area while undercover officers were in the area and interacting with various subjects who would eventually be identified as suspects who sold narcotics to the undercover officers. I recorded narcotics transactions for the following events to digital video disc;

- #1 SPD Case 2015-32521
- #2 SPD Case 2015-32541
- #3 SPD Case 2015-32563
