**Narrative Type:** ARREST NARRATIVE  
**Narrative Officer:** Martina, Jody 144

**Topic:** Marshall Webb  
**Narrative Date/Time:** 10/03/2015 01:20

On October 2nd, 2015 I Deputy Jody Martina was dispatched to 537 Oyster Rd. in reference to Marshall Webb in his back yard with a shotgun. Dispatch advised that Mr. Webb was making threats of suicide.

APD Officers Timothy Davis and Chet Turner was first on scene. Officer Davis notified me by radio that he could see the subject in the back yard and he was armed with a firearm. Officer Davis was approaching Mr. Webb and stepped on a piece of roofing tin that made a loud noise. Mr. Webb then raised the firearm, pointing it directly towards Officer Davis and told him he needed to leave. Officer Davis retreated and gained cover from Mr. Webb at the corner of the house.

I then arrived on scene and met with Officer Davis. Officer Turner returned to the street to handle crowd control. Myself and Officer Davis heard Mr. Webb make several statements toward us to "come on back here and get some". Mr. Webb then went into a large Garage type shed in the North West corner of his property and fired a single round out of the door of the shed at approximately 8:48 PM. Mr. Webb then turned all of the lights off inside of his shed and barricaded his self inside. Mr. Webb opened the shed door and fired another single shot in the area of Myself and Officer Davis at approximately 8:50 PM then closed the door back. Mr. Webb kept repeatedly yelling "come on back here and get it, or leave. At approximately 9:04 PM Mr. Webb turned on the lights in the shed. Mr. Webb then exited the shed and fired two rounds into the air with what appeared to be a black firearm. Mr. Webb then walked to the fence and yelled towards Myself and Officer Davis "y'all gonna come get me or what". At this time a vehicle approached the scene from the west end of Oyster Rd. the lights from the vehicle shined on Myself and Officer Davis. Mr. Webb then raised the firearm and shot two more rounds directly towards where Myself and Officer Davis were taking cover. Myself and Officer Davis then moved our position to the front of the truck across the street from Marshall's residence.

Franklin County SWAT team arrived at approximately 9:10 PM. Mr. Webb then fired three more rounds into the air at 9:12 PM. SWAT Commander Sgt. Wayne Nash who personally knows Mr. Webb started making contact with Mr. Webb through yelling back and forth across Mr. Webb's yard. Mr. Webb communicated with Sgt. Nash, his brother Bill Shirah, Sheriff Mike Mock, and Chief Bobby Varnes until 10:15 PM, when Mr. Webb put down all weapons and was arrested without any further incident. After searching Mr. Webb a pill bottle was found in his pants pocket that contained 17 hydrocodone tablets. Mr. Webb stated he did not have a prescription for the hydrocodone.

Mr. Webb was placed in Deputy G. Lockley's patrol vehicle for transport to Weems Medical Center to be medically cleared before going to the Franklin County Jail.

**Narrative Type:** PROBABLE CAUSE

**Topic:**

**Narrative Officer:** Hewitt, Jeff 131

**Narrative Date/Time:** 7/24/2015 03:55

On July 23, 2015 at 2026 HRS I was dispatched to 21-2 Collins Ave. in reference to a stabbing. Lt. R. Shelley was present. When I arrived I made contact with Joseph Heafey at the front door. Mr. Heafey was bleeding from the neck, left arm, shoulder and fore head. EMS arrived on scene once I ensured it was secure. Mr. Heafey advised me his son, Robert Ratledge had attacked him in the home. He stated he wanted him arrested but he ran upon knowing the Law was called. Also present in the home was Mr. Heafey's wife, Ms. Cynthia Ratledge. Ms. Ratledge emerged from the home very upset. She was yelling that her son stabbed her husband and that she wanted him arrested. Ms. Ratledge was hard to calm down. Ms. Ratledge also appeared to be very intoxicated. No statements could be taken from her due to her condition.

After EMS treated Mr. Heafey, he refused transport to the hospital. Mr. Heafey stated he wanted his son arrested because he was attacked. He stated his son came home with a six pack of beer and began yelling at him, Ms. Ratledge and Melanie. Melaine Totter is Mr. Ratledge's girlfriend with a child in common. He told them all "Fuck You". He then charged at Mr. Heafey and the two went to the ground. Mr. Ratledge grabbed a fork and tried to stab him. This was witnessed by Ms. Ratledge who stated verbally the same story during our time on scene. Ms. Totter stated she never seen the altercation but did hear the verbal altercation. We looked around the neighborhood and could not locate Mr. Ratledge.

At 2151 HRS we received a second call that Mr. Ratledge had returned to the home. Upon arrival Lt. R. Shelley and I parked down the road and walked to the apartment. I went to the rear of the home and Lt. Shelley went to the front door. Lt. Shelley made contact with Ms. Ratledge who stated Mr. Ratledge had left before our arrival. Mr. Heafey reported to Lt. Shelley that while he was there he told him that he was coming back and that he was going to kill all of them. Ms. Totter later reported to Lt. Shelley and I that he told her "Your my number one enemy now." We again searched the neighborhood to no avail.

At 2319 HRS I was again dispatched to 21-2 Collins Ave in reference to Robert Ratledge cutting the tires on Joseph Heafey's and Cynthia Ratledge's van. Ms. Totter stated that she was sitting on the porch smoking, and heard was she thought was running water, she looked and seen someone wearing a light colored shirt cutting the tires on the van. At this time she realized it was air that she heard. Her view was obstructed by the screen on the porch and some bushes. Again upon arrival Mr. Ratledge was gone. At this time Ms. Ratledge stated she believed her son could be at a neighbors house. We then went to the apartment of Mr. Robert Mercer. Mr. Mercer stated he was not there but had been there. A search was conducted to no avail.

At this time I parked my patrol car out of sight at the Lanark Fire Department. After about 25 or 30 minutes I got out and walked down the street towards 21-2 Collins Ave. At this time I heard a gun shot that sounded like a .22 Cal. I then got behind a tree and began observing the area to determine where the shot came from. At this time I observed a White Male in a light gray shirt, and black shorts. He was standing across the street from 21-2 Collins in a dark area. I could see he was smoking a cigarette. After several minuets he began cross the street and approach 21-2 Collins. At this time I began to move closer. I observed he had an object strapped to his back and a item in his hand. He stopped just short of the front door and turned around. At this time I made my presence known. I yelled "Sheriff's Office, Stop." Mr. Ratledge then ran back across the street and ducked behind a gold colored truck. I began to run towards the front of the truck in a attempt to cut him off. At this time Mr. Ratledge began to run again. I ordered Mr. Ratledge to stop several times. After about 20 yards, I deployed my teaser, SN# X000-217301. Neither probe penetrated his person. Mr. Ratledge continued to flee. After approximately 30 more yards Mr. Ratledge gave up and laid down. At this time I placed Mr. Ratledge in hand restraints. While doing so I observed Mr. Ratledge had placed a open blade knife about 2 feet from his person. He had also dropped a white glove about 3 yards from where he laid down. On the side of the truck Mr. Ratledge ducked behind I discovered a Black Ruger .22 CAL Rifle SN#231-78585 Model number 10/22. The gun also had a strap on it. It was loaded with a round in the chamber.

After placing Mr. Ratledge in hand restraints, I escorted him back to my patrol car. Shortly after CPD Officer David Campbell arrived on scene. Lt. Shelley arrived a short time later. Officer Campbell transported Mr. Ratledge to the Franklin County Jail. Prior to Mr. Ratledge being transported Lt. R. Shelley advised him of his Marinda Warning. He told Lt. Shelley he understood and would speak with him at the Jail.

Lt. Shelley helped photograph the area and evidence, collect sworn recorded statements. The first recorded

He stated he was at Mr. Mercers all evening and left once to go to the Lanark Village Mart and once just prior to being arrested. **Narrative Officer:** HARRELL, CASEY 174

**Narrative Date/Time:** 4/28/2015 12:55

On April 27, 2015, at approximately 4:00pm, dispatch advised me that Blake Sasnett (resides in Atlanta, Georgia) had called advised that he was concerned that about his mother's safety. I made contact with Blake (via telephone) and he advised that he had spoken with his father, Aubrey David Sasnett (via telephone). Blake said that David told him that he was going to kill his (Blake's) mother (Tammy Sasnett), sister (Tamara Carranza), younger brother (Brett Sasnett), and after David had killed them he was going to drive to Atlanta and kill him (Blake). Blake said that his mother and father had been divorced for almost 2 years and that his father had recently become very obsessive and threatening towards the family.

I advised Blake that I would make contact with his mother and would notify him once I made contact with Tammy. At approximately 4:25pm, I arrived at 252 Old Ferry Dock Road (Tammy's residence). I advised Tammy why I was at her home and she invited me in. We sat at her dinner table and began talking about the incidents that occurred between her (Tammy) and David. While speaking with Tammy, she became very emotional and I told her that I wanted to take a sworn video recording of our conversation. Tammy stated that David arrived at her home on Wednesday April 22, 2015, and asked if she would go ride with him. Tammy stated that she thought that they were going to get a cup of coffee. David began driving east bound traveling towards Carrabelle. Tammy stated that she became scared and told him to turn around several times and he said that he would in just a minute. Tammy said that David began traveling north bound on Hwy 65. Tammy said she got scared and continued telling him to turn around.

David continued to travel north bound until he reached Tower Road. He turned right onto Tower Road and then turned another right on the first road on the right. He traveled approximately 300 yards on that road before stopping. Tammy said that he lifted the center console and sat next to her. David asked Tammy if she would remarry him and she said no she couldn't do that. David then retrieved a firearm and pointed in at her. He began hitting her and shoved her out the door on to the ground. David then pointed the gun at her and threatened to kill her and their family.

Tammy said she got on her knees and begged him not to kill her and that she would do whatever he wanted not to kill her. Tammy said that she observed duct tape, a blue rope, and a blue sheet in the truck. David stated that he already had the hole dug for her. The two got back in the vehicle and David explained to Tammy that if he continued to pay her alimony there would be things she had to do for him. One stipulation that he demanded was that she must "get with him" once a week. I asked when David said "get with him" did he mean have sex with him once a week. Tammy became very emotional and said yes. I asked Tammy if anything sexual had happened while the two were together that day. Tammy continued crying and said "I don't want to talk about it right now". She continued to talk and described the firearm as a handgun that was black on the top and had a white ivory handle.

Tammy said that as they were getting back into the vehicle she observed David throw the box of bullets into the south side of the road. I asked if she remembered where the incident took place in the woods and she said that she could take me back to the spot where it happened. After talking for several minutes, I reverted back to the sexual contact that possibly occurred. Tammy once again began crying and said that David had forced her to have sex with him. She stated this occurred in the front seat of his truck. Tammy said that they left the location and arrived at her house. Once at the house, Brett Sasnett (Tammy and David's youngest son) was there with his girlfriend sitting on the couch. Tammy said that her and David sat down on the other couch. While Brett watched TV, David began whispering "I'm gonna kill him" several times in Tammy's ear.

I contacted Lt. Whaley and advised him of what happened. Lt. Whaley stated that he would obtain a metal detector and he wanted to go search for the ammunition that was thrown into the woods. Tammy and I left the residence and met with Lt. Whaley in Eastpoint. Tammy then got into Lt. Whaley's patrol vehicle and we proceeded to where the incident occurred in Tate's Hell State Forrest. I made contact with Capt. Segree and advised him of the situation. He advised me to make contact with Lt. Johnson and tell him what happened. I made contact with Lt. Whaley and he stated that he had already advised Lt. Johnson of the situation.

We arrived to the location and Lt. Whaley and I began searching for the ammunition. Due to the weather conditions and terrain we were unable to locate the box of ammunition. Photographs were taken from the scene. Lt. Whaley, Tammy, and I left the scene and went back to Tammy's residence.

Lt. Whaley attempted to contact the victims' advocate Clairce Powell several times but was unable to make contact. Lt. Whaley and I explained the legal process that would take place concerning the criminal proceedings. Tammy refused to sign an affidavit for prosecution on all charges. Tammy called and spoke to Blake and Tamara about the incident and both insisted that she pursue criminal charges against David. Tammy stated that she did not want to be the reason he (David) goes to jail. We explained to Tammy that if she declined to prosecute that we (Law Enforcement) could not do anything about the crimes that had took place. Tammy declined to prosecute. Tammy signed a declaration of intent for all charges. Tammy said that she wanted to seek advice from a psychologist before pursuing criminal charges.

On April 28, 2015, at approximately 10:00am, I attempted to contact Tamara and Blake but was unable to do so. I left the both voicemails asking if they would call me back. At approximately 10:40am, Blake returned my call, I informed him that we had did all that we could do with the cooperation of his mother. As of now Tamara has not returned my call.

I certify that all the above information is true and correct to the best of my knowledge

**Narrative Type:** PROBABLE CAUSE

**Narrative Date/Time:** 3/10/2015 09:17

On March 5th at 2:30 a.m., Deputies responded to a shooting death at Wright Lake off Highway 65 in Franklin County Florida. Wright Lake was currently occupied by a couple hundred individuals from the Rainbow Family of Living Light who were permitted by the Department of Agriculture to hold their annual gathering in the Apalachicola National Forest the entire month of March. The Rainbow Family are individuals who are committed to principles of non-violence and egalitarianism and strive to achieve peace and love on earth.

A call came in to Franklin County Dispatch from Gulf County Sheriff's Office at 2:30 a.m. due to the 911 call being received from a Gulf County Tower. Deputies arrived on scene shortly after to find the shooting suspect had been apprehended by several of the Rainbow Family. The suspect identified as Clark Michael Mayers from Georgia had been beaten and stabbed numerous times and removed of all his clothes. EMS arrived on scene at 3:15 a.m. where they pronounced victim Jacob Cardwell (aka Smiley) deceased. Jacob Cardwell had two gun shot wounds to his right abdomen. A second victim Wesley Jones (aka Dice) had been shot three times including one in the neck which left him paralyzed from the neck down. EMS transported Wesley Jones and Clark Mayers to Sumatra Florida where they were met by Life Flight and flown to Tallahassee Memorial Hospital to undergo surgery.

Detective Duane Cook and I arrived on scene at 3:40 a.m. and spoke with Deputies to brief on what had taken place thus far. We were also met by several Agents from the Forestry Department of Agriculture including Agent Courtney McCrae who had extensive knowledge on the Rainbow Family from working prior gathering. Detective Cook and I, along with Agent Courtney McCrae began taking sworn audio recorded statements from witnesses on scene.

At 4:40 a.m. I spoke with Angelica McDonald who was present during the initial shooting. Angelica stated she along with "Dice" (aka Wesley Jones) and "Jude" (Jeremy Strickland) were burning a tire which caused a discrepancy by an individual who complained about the fire last year. Angelica asked the man not to put out the fire. He then walked to his vehicle. She stated he was offended by the tire fire and he stated this was going to be different from last year. He came back with a camera and began video taping them. Angelica stated no one wanted their photograph taken. Wesley Jones then took his camera and put it in the fire. He then goes back to his vehicle and returns with a gun. They told him to put his gun down at which time he points the gun and begins shooting. Angelica stated she ran off into the woods and returned to find her friend "Smiley" (aka Jacob Cardwell) was on the ground dying. She didn't even know Smiley was around the area. When she went over to check on "Smiley" she heard a lot more gun shots and was drug off by her boyfriend. The shooter then attempted to leave in his vehicle and people were trying to intervene. Angelica stated the shooters tires got popped and at one point attempted to kill himself by pointing the gun at his head. The next time she seen the shooter, he was naked lying in the road. Angelica stated the shooter panicked and began blind shooting due to feeling like he was in a threatening position. They were arguing over the fire but not in a violent manner. Angelica stated she, Dice, and Jude panicked also and began walking towards him at which time he began blind shooting at them.

Detective Duane Cook spoke with Jeremy "Jude" Warren Strickland who offered the following sworn recorded statement. He was at the tire fire with "Dice" (Wesley Jones) and "Katt" (Angelica McDonald). He walked away from the fire to talk with his ex girlfriend Destiny Moore. When he walked back to the area of the tire fire he observed the shooter to be standing there arguing about the fire. The shooter then began taking pictures of them and the fire with a camera. Mr Strickland turned to the shooter and confronted him about the pictures. He observed the shooter to have a gun tucked under his arm. He asked him if he had a gun and the shooter stated yes it's a gun. He then asked the shooter to please put the gun away. Everyone put their hands up and began pleading with the shooter to put the gun away. The shooter began backing up, pulled the gun, pointed it at them and stated "Yall need to back up." Strickland stated "you are not a killer, put the gun away." The shooter fired off three rapid shot's. Strickland took cover and heard several more shot's. He approached the back of the black trailer registered to Clark Mayers and was snatched to the ground by someone who informed him that the shooter was reloading. He then heard two more shots and observed someone dragging another person. He crawled over to the second victim and watched as he died. He then crawled away and seen a lady that had her headlights on. He ran to her and asked on her to please pull up to this truck so he can't leave. She pulled up and he observed the shooter leaving in his white truck which was a Ford F-250 registered to Clark Mayers.

On March 5th, FDLE Special Agent Mike Devaney went to Tallahassee Memorial to speak with Clark Mayers who was in surgery at the time. He was able to take a statement from a registered nurse (Sara Harrison) who had been in contact with Mayers. Mayers stated to Nurse Harrison that he got into a fight over his dog with the Rainbow people. He then shot someone using a .380 caliber pistol at which time he was attacked by 25 or 30 people.

Since the incident occurred, the Franklin County Sheriff's Office has had 24 hr contact with Clark Mayers at

On 3-4-2015 around 19:35 hours I was dispatched to 134 Miller Street in reference to threats. Upon arrival I made contact with Patricia Lively who stated she and her husband, Donald Lively had been at some family members eating dinner when Mr. Livley became angry, cussed her, and left. Mrs. Lively stated he was angry due to her questioning him about an air condition unit in a window at a rental property that his sister and husband rent from them. Mrs. Lively stated she made Mr. Lively a plate and headed home. Mrs. Lively stated she walked in the home and Mr. Lively stated I'm leaving and made a threatening remark to her. Mrs. Lively stated she went to the back bedroom and stated just leave then. Mrs. Lively stated Mr. Lively followed her to the bedroom, shoved her down into the closet, grabbing her glasses causing an injury to her left side of her face and breaking the glasses. Mrs. Livley stated Mr. Lively said " I ought to kill you " and walked over to the nightstand where he retrieved a pistol out of the drawer. Mrs. Lively stated he approached her so she covered her face and felt something strike her. Mrs. Lively stated she was not sure if it was the gun which she stated he never unholstered or his hand.

I observed and photographed a red swollen area under Mrs. Lively's left eye. I also observed her glasses frame were bent and the right glass piece had come out which was also photographed for evidence. Mrs. Lively stated the value of the glasses are around \$700. Mrs. Lively gave a sworn recorded statement. I located Mr. Lively at the intersection of Conneticut Street and Highway 98 sitting in his parked vehicle. I place Mr. Lively under arrest for Domestic Battery, Criminal Mischief, and Aggravated Assault with a Deadly Weapon where Deputy Shuman transported him to the Franklin County Jail.

I certify that all the above information is true and correct to the best of my knowledge
